Company name	Petro Center Corporation
Date	07/31/2023
Subject	Overcome the status of securities being put under supervision

Content:

On July 28, 2023, Petro Center Corporation announces the measures and schedule to overcome the status of securities being put under supervision with details as follows:

In Quarter 2/2023, the company has implemented solutions to overcome the situation as sent to HOSE in the official dispatch dated April 22, 2022. But due to the negative business results in Quarter 2.2023, the Company has not yet overcome. However, with further measures to be implemented, the Board of Directors believes that PMG will overcome the status of securities being put under supervision as announced in the schedule.
