<b>Subject</b>	Report on overcoming the status of warned and supervised securities

**Content:**

On November 11, 2024, SMC Trading Investment Joint Stock Company reports the measures and schedule to overcome the status of securities being put under warning and supervision in Quarter 3/2024 with details as follows:

1. Business performance:

The consolidated profit after tax in Quarter 3/2024 was -VND82,417,703,365. In the first nine months, the Company continued to implement the solutions to improve the effective production and business activities; promote the asset liquidation and financial investments, resolutely handle backlog debts. However, the domestic and foreign steel markets are still facing many difficulties, steel prices and steel consumption demand continue to decrease sharply. Accordingly, the profit after tax in first nine months of 2024 reached VND 6,799,179,108.

2. Overcoming plan:

The Company will continue to implement the business solutions and corporate restructuring in the last six months of 2024 to ensure the effective production and business activities, and completely overcome negative business results
