3/ BOD's supervisory activities over the Board of Directors:

The Board of Directors regularly monitors the activities of the General Director and other management functions to review issues such as:

The implementation of the targets and plans set by the General Meeting of Shareholders and the Board of Directors.

At this Annual General Meeting, in addition to the reports on the Board of Directors' activities in 2023 and the Board's action plan for 2024, the business performance results for 2023 and the production and business plan for 2024, and the Supervisory Board's activities in 2023, the meeting also approved the following proposals:

- Proposal for the audited financial statements of 2023;
- Proposal for the distribution of profits in 2023 and the plan for 2024;
- Proposal for the remuneration of the Board of Directors and the Supervisory Board;
- Proposal for selecting the auditing firm for the 2024 financial statements.

The Board of Directors also regularly supervises the General Director's activities to ensure the implementation of the resolutions passed by the General Meeting of Shareholders and the Board of Directors complies with legal regulations, the company's charter, and governance rules. Additionally, the Board reviews the business performance results to guide the Executive Board and ensures attention is given to human resources to support the Company's growth.

4/ Activities of independent BOD members and the independent member's assessment over the BOD's activities:

4.1/ Activities of independent BOD members:

In 2024, independent members of BOD participated in 100% of BOD meetings and made significant contributions to company's governance. Simultaneously, the independent member of BOD also provided advice and offered constructive criticism of the Board's decisions, all while adhering to legal requirements and safeguarding the Company's paramount interests.

The independent Board member, with deep expertise in the textile and garment industry, has been highly beneficial to the Board's strategy and decision-making processes. The independent Board member has exercised their rights and duties in accordance with the relevant legal regulations, the Company's charter, and the resolutions of the General Meeting of Shareholders. In 2024, the independent Board member completed the following tasks:

- Exercised their rights and duties with integrity, caution, and to the best of their ability, ensuring the maximum legitimate interests of the Company.
- Remained loyal to the interests of the Company and its shareholders; refrained from using the Company's information, trade secrets, or business opportunities for personal gain or the benefit of other organizations or individuals.

- Promptly and fully notified the Company of any businesses in which they or their related parties hold ownership or controlling stakes; this information was disclosed at the Company's headquarters.
- Provided a comprehensive perspective on the interests of all relevant stakeholders, offering opinions and decisions to enhance the effectiveness and feasibility of the Board's decisions, improving the Company's business performance, and safeguarding the rights and interests of the Company and its shareholders.
- Fulfilled other obligations as required by law and the Company's charter.
- The independent Board member has carried out management functions through participation in Board discussions and decision-making processes, ensuring that these decisions are made fairly and reasonably.

4.2/ Assessment of Independent Board Members over Board Activities:

The members of the Board of Directors possess high levels of expertise, extensive experience, vast networks of relationships, and established reputations within the textile and garment industry. Additionally, members of the Board diligently pursue professional development and refine their experience to elevate their leadership and management proficiencies, thus enhancing the overall prestige and brand equity of the Corporation.

In 2024, the Board of Directors executed its functions and responsibilities in strict accordance with the stipulations of the Law on Enterprises, the the Company Charter, the operational regulations of the Board of Directors, and the internal corporate governance regulations. Individual members of the Board of Directors have unequivocally and commendably fulfilled their assigned duties. The Board of Directors rigorously supervised the executive body's functions, thereby ensuring precise execution as mandated in the Resolution of the General Meeting of Shareholders (GMS) in 2024 as well as achievement of pre-established goals and strategies. With unwavering resolve, the Board directed and supported the execution functions within the organization to efficiently manage corporate operating revenue generation efforts. Both periodic and impromptu meetings were orchestrated by the Board to deliberate tasks and grant mandated approvals per operating procedures and efficiently managed arising issues. During quarterly analysis and year-end recap discussions, corporate stewardship and guidance in both macro performance assessments including corporate tactical refinement for optimized organizational management strategies were duly adjudicated upon by members in the annual meeting.

Besides, the Board of Directors consistently maintains close collaboration with the Board of Supervisors and the Executive Body in the administration of production, business operations, and financial management of the Corporation.
