Subject Report on overcoming the status of warned securities

Content:

On March 28, 2025, Petro Center Corporation (PMG) reports the measures and roadmap to overcome the status of securities being put under warning in 2024 with details as follows:

According to the business result in 2024, the Company recorded the following growth:

Unit: VND

| Content | 2024 (consolidated) | 2024 (separate) |
|------------------------------------|---------------------|-------------------|
| Net sales | 2,024,673,956,321 | 1,641,531,351,215 |
| Profit after tax of parent company | 24,787,305,973 | 22,368,305,839 |

With the above measures, the Company believes that PMG will overcome the status of securities being put under warning according to the announced roadmap.
