<b>Subject</b>	Explanation for the stock price fluctuation

**Content:**

An Giang Import - Export Company explains the decrease in the floor prices in five consecutive trading sessions from April 02, 2025 to April 09, 2025 because of the following causes:

- The Company's business results have been losed in three consecutive years, the accumulated losses exceeding its actual contributed capital or the negative equity. These are causes lead to stock being delisted (as Announcement No. 383/SGDHCM-NY dated April 01, 2025 by the Hochiminh Stock Exchange).
- The Company's accounts at three banks were frozen.
- The purchase and sale determined by the investors and beyond the control of the Company. The Company did not have any direct impact on the stock price.
