**Dear:** - State Securities Commission  
- Ho Chi Minh City Stock Exchange

First of all, Hacisco Joint Stock Company sincerely appreciates the attention and support of the State Securities Commission and the Ho Chi Minh City Stock Exchange over the past period. We look forward to continuing to receive your guidance and assistance in the future.

Pursuant to the provisions of Circular 96/2020/TT-BTC dated November 16, 2020 of the Ministry of Finance guiding the disclosure of information on the stock market. Our company would like to explain that the profit after tax in the first quarter of 2025 changed by 10% or more compared to the same period last year, the profit after tax in the reporting period of the first quarter of 2025 changed from a loss in the same period last year to a profit in this period as follows:

No.	Indicators	Code	Quarter 1/2025	Quarter 1/2024	Increase (+) / Decrease (-) %	
					Value	Rate
I	Separate Financial Statements					
1	Profit After Tax	60	43.889.061	-2.564.610.531	2.608.499.592	-101,71%
II	Consolidated Financial Statements					
1	Profit After Tax	60	10.150.787	-2.524.600.422	2.534.751.209	-100,40%

**Reasons:**

- In the first quarter of 2025, on the separate financial statements and the consolidated financial statements, revenue related to the Company's asset exploitation accounts for a large proportion of total revenue (70% on the separate financial statements, 55% on the consolidated financial statements). With this activity, the cost of goods sold will be lower than construction and installation activities, and the profit margin will be higher..
- The company implemented a policy of tightening business management costs, so business management costs also decreased compared to the same period last year in 2024.
- Financial operating expenses decreased compared to the same period last year 2024.

Hacisco Joint Stock Company reports to the State Securities Commission and Ho Chi Minh City Stock Exchange.

Sincerely!
