No.	Business line	Code
	international commitments in treaties to which Vietnam is a member (CPC 622)).	
22	Foreign-invested enterprises are responsible for carrying out investment procedures in accordance with the Law on Investment and relevant laws. The enterprise must strictly comply with regulations on land, construction, fire prevention and firefighting, environmental protection, other applicable laws related to the enterprise's operations, and business conditions applicable to conditional business lines. For investment and business activities arising after a foreign investor contributes capital to, purchases shares, or acquires contributed capital portions, where such activities are subject to the requirement to register for an Investment Registration Certificate in accordance with the Law on Investment, the economic organization receiving the foreign investor's capital contribution, share purchase, or acquisition of contributed capital portions shall be responsible for contacting the investment registration authority to carry out the procedures in accordance with applicable regulations. For business lines with CPC codes, foreign-invested economic organizations shall conduct business strictly in accordance with the business lines recorded in the Notice on satisfaction of conditions for capital contribution, share purchase, and purchase of contributed capital portions, and within the scope of activities of the relevant CPC codes as specified in Vietnam's Schedule of Specific Commitments on Services upon accession to the WTO (attached with the Appendix on the explanation of services listed in the United Nations central product classification system). The implementation of export, import, wholesale distribution, and retail distribution of goods must strictly comply with the provisions of Article 7 of Decree No. 09/2018/ND-CP dated January 15, 2018 of the Government, which provides detailed regulations on the Commercial Law and the Law on Foreign Trade Management regarding goods trading activities and directly related activities of foreign investors and foreign-invested economic organizations in Vietnam. For cases requiring a Business License to carry out goods trading activities and activities directly related to goods trading in accordance with Clause 1 Article 5 of Decree No. 09/2018/ND-CP dated January 15, 2018 of the Government, which provides detailed regulations on the Commercial Law and the Law on Foreign Trade Management regarding goods trading activities and directly related activities of foreign investors and foreign-invested economic organizations in Vietnam, the foreign-	Business lines not yet matched with the Vietnam Standard Industrial Classification
