*V/v: Remedial Measures and Roadmap
to Address the Trading Restriction Status
of the Company's Shares*

To: - State Securities Commission of Vietnam;
- Ho Chi Minh City Stock Exchange;

Pha Le Plastics Manufacturing and Technology Joint Stock Company (Stock Code: PLP) respectfully extends its greetings to your esteemed authorities.

The Company respectfully responds to Official Letter No. 1740/SGDHCM-NY dated October 16, 2026, issued by the Ho Chi Minh City Stock Exchange regarding the submission of remedial measures and a roadmap to address the trading restriction status of the Company's shares, in connection with Decision No. 789/QĐ-SGDHCM dated October 16, 2026, on transferring PLP shares from the control status to the trading restriction status.

Based on the Company's actual circumstances and the work currently underway, the Company hereby reports its remedial measures and roadmap as follows:

1. Remedial Measures:

1.1. Accelerating the completion of the review and disclosure of the 2026 Semi-annual Financial Statements

The Company is actively coordinating and working with UHY Auditing and Consulting Company Limited to expedite the review of the 2026 Semi-annual Financial Statements, focusing on reviewing and completing the relevant records and documents, as well as promptly discussing and resolving issues arising during the review process.

The Company's management is prioritizing this matter by directing and allocating resources and strengthening coordination among relevant departments to shorten processing time and complete the necessary procedures as soon as possible for the issuance and disclosure of the reviewed 2026 Semi-annual Financial Statements in accordance with applicable regulations.

1.2. Reviewing and improving the information disclosure process

In parallel with addressing the current outstanding issues, the Company is reviewing the entire process for preparing, reviewing, approving, and disclosing periodic and extraordinary information, particularly financial statements and other documents required to be disclosed within prescribed deadlines.

The Company will strengthen progress-monitoring mechanisms, clearly assign responsibilities to relevant departments and individuals, proactively establish implementation plans well in advance, and introduce reminder and alert mechanisms for information disclosure deadlines. These measures are intended to enhance proactive coordination with the audit firm, minimize the risk of delays, and ensure that information disclosure in subsequent reporting periods is complete and timely.

2. Remedial Roadmap:

The Company expects to complete and disclose the reviewed 2026 Semi-annual Financial Statements in October 2026. Immediately upon completion, the Company will make the required disclosures in accordance with applicable regulations.

The Company undertakes to continue working closely with the audit firm and focus on completing the remaining work in accordance with the above roadmap. At the same time, the Company will take the necessary lessons seriously and strengthen control measures to ensure compliance with information disclosure deadlines in subsequent reporting periods.

Sincerely./.

**PHA LE PLASTICS MANUFACTURING
AND TECHNOLOGY JOINT STOCK COMPANY**
