2. Content of disclosed information:

To ensure information security against the risk of exploitation of the security vulnerabilities CVE-2026-109618 and CVE-2026-109619 (PHP2Shell) in the PHP programming language, following a warning from Saigon Newport Corporation, ICD Tan Cang - Long Binh Joint Stock Company temporarily suspended its website at https://icdlongbinh.com for maintenance and upgrading from 5:30 p.m on October 27, 2026.

At 08:40 a.m on October 28, 2026, the Company completed the upgrade of PHP on the server to a version in which the above vulnerabilities have been patched; the website has resumed normal operation.

Accordingly, the temporary suspension of the website did not affect the Company's business operations, its information disclosure obligations, or the lawful rights and interests of shareholders and investors. Based on a review of the system logs, the Company has not detected any sign of intrusion, content alteration or data loss; all previously disclosed information has been fully preserved. Should the website need to be suspended again for further upgrading, the Company will give prior notice in accordance with regulations.

3. This information has been published on the Company's website on October 28, 2026, at the link https://icdlongbinh.com/quanhecodong/category/144.

We hereby certify that the information disclosed above is true and we take full responsibility before the law for the content of the disclosed information./.
