Hanoi, October 29, 2026

Dear: **- State Securities Commission**
- Ho Chi Minh City Stock Exchange

First of all, Hacisco Joint Stock Company sincerely appreciates the attention and support of the State Securities Commission and the Ho Chi Minh City Stock Exchange over the past period. We look forward to continuing to receive your guidance and assistance in the future.

Pursuant to the regulations set forth in Circular 96/2020/TT-BTC dated November 16, 2020, issued by the Ministry of Finance, regarding the disclosure of information on the securities market, our Company hereby provides an explanation for the change in profit after tax for the third quarter of 2026, which represents a variance of 10% or more compared to the same period of the previous year, as follows:

No.	Indicators	Code	Quarter 3/2026	Quarter 3/2025	Increase (+) / Decrease (-) %	
					Value	Rate
I	**Separate Financial Statements**					
1	Profit After Tax	60	372.711.134	206.861.240	165.849.894	80,17%
II	**Consolidated Financial Statements**					
1	Profit After Tax	60	243.946.414	426.274.574	-182.328.160	-42,77%

Reasons:

- Profit after tax in the separate financial statements for the third quarter of 2026 increased by more than 10% compared to the same period in 2025, due to the following reasons:

+ Revenue for the third quarter of 2026 increased by more than 10% compared to the same period in 2025. This was driven by the Company's efforts during the third quarter of 2026 to confirm completed work volumes and resolve legal obstacles, enabling the signing of payment and final settlement documentation with project owners—which served as the basis for recognizing revenue in accordance with accounting standards.

+ General and administrative expenses for the third quarter of 2026 decreased compared to the same period in 2025, as the Company is implementing a policy to tighten general and administrative spending.

- Profit after tax in the consolidated financial statements for the third quarter of 2026 decreased by more than 10% compared to the same period in 2025. This is because the consolidated financial statements for the third quarter of 2026 incorporate the business results from the financial statements of the parent company (separate financial statements) and those of two subsidiaries. Specifically, the parent company recorded a positive profit after tax of +372,711,134 VND, while the two subsidiaries recorded a combined loss (negative profit after tax) of (128,764,720) VND, which reduced the profit after tax in the consolidated financial statements.

Hacisco Joint Stock Company reports to the State Securities Commission and Ho Chi Minh City Stock Exchange.

Sincerely!
